

Attuned Pathways User Manual

1. Login Page

The screenshot displays the login interface of the Attuned Pathways system. At the top, a blue header bar contains the text "AM Tasker" on the left and a "Login" button on the right. The main content area is white and features a centered login form. The form is titled "Login" and includes a "Staff ID:" label above a text input field containing "AP1101". Below this is a "Password:" label above a password input field filled with dots, which includes a toggle icon for visibility. A blue "Login" button is positioned at the bottom of the form. The footer is a grey bar with mission text on the left and contact information on the right.

After the login successfully you will be welcomed in this staff page where you will be able to see shifts assigned to you and shifts that you can bid. Also, you can be able to navigate to the account page, my shifts page, statements page and my account page from the top right part where you see your name.

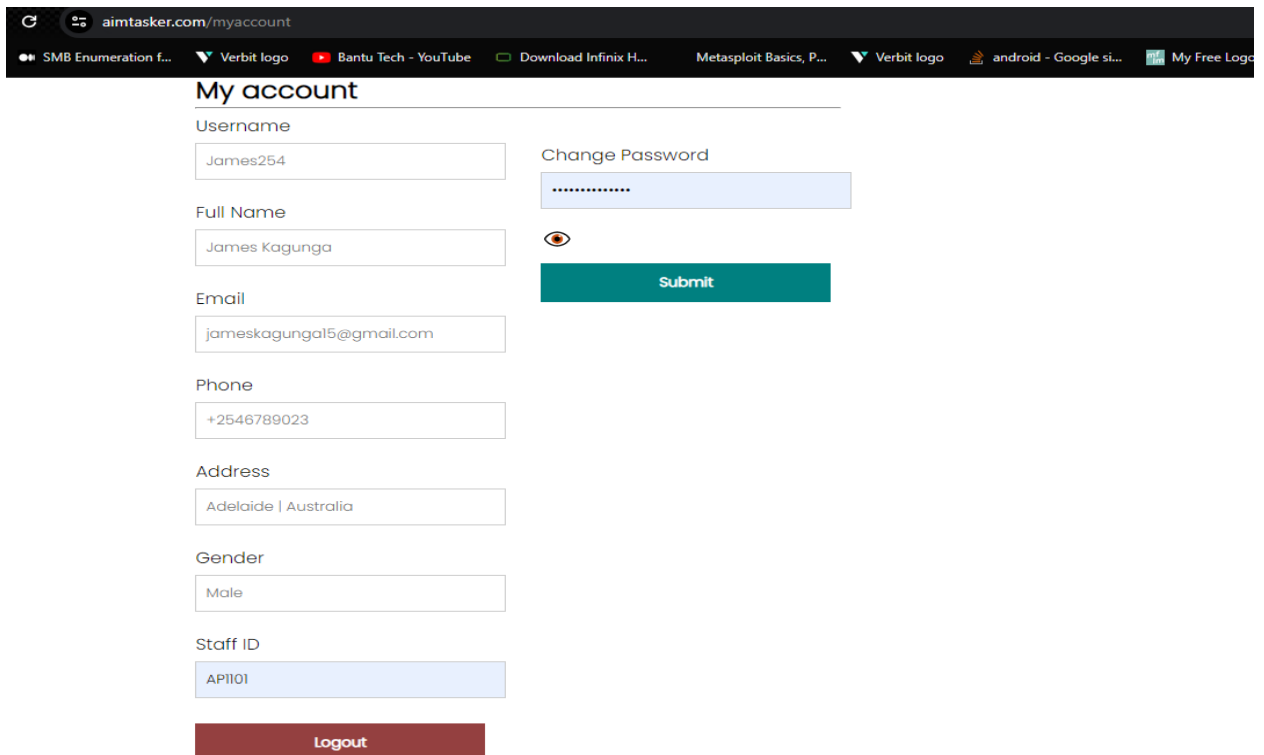

3. My Account Page

The screenshot shows the 'aimtasker.com/staff' page. At the top right, a user profile for 'James Kagunga' is visible with a dropdown menu containing 'My Account', 'My Statements', 'My Shifts', 'Report Incidence', and 'Logout'. A red arrow points from the 'My Account' option to the text below. The page lists shifts under 'My shifts' and 'Bid shifts'.

Day	Location	Time	Status
Fri 05	Victoria Lane	08:00AM - 12:00 PM	Pending
Fri 01	Adelaide	08:00AM - 05:00PM	Pending
Sat 03	Melbourne	08:00 AM - 10:00 PM	Pending

Click on my account to top right to navigate to my account page and also change password to your favorite password but should meet requirements i.e (one uppercase letter, one special character, one number and also it should be eight characters).

The screenshot shows the 'aimtasker.com/myaccount' page. The form contains the following fields:

- Username: James254
- Full Name: James Kagunga
- Email: jameskagunga15@gmail.com
- Phone: +2546789023
- Address: Adelaide | Australia
- Gender: Male
- Staff ID: APII01

There is a 'Change Password' section with a password input field (masked with dots) and a 'Submit' button. A 'Logout' button is at the bottom.

Clock In

Clock Out

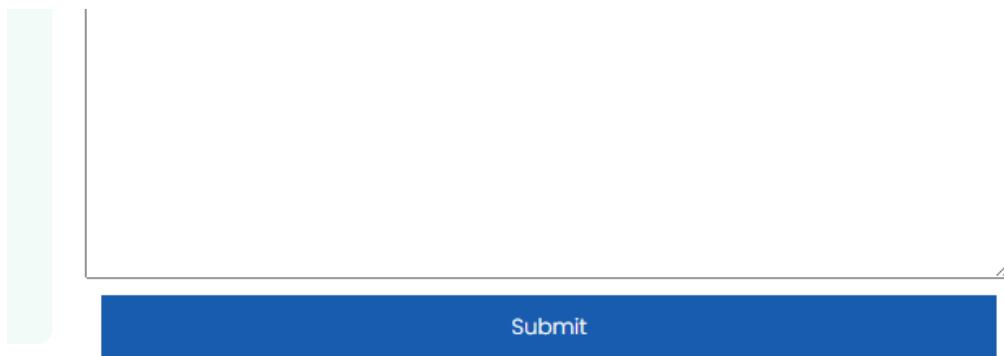

Clock in

When clock in to the shift you are required to allow access to the location since you cannot clock in without the application taking your exact location. You are prompted to allow access location by this application. After that the button for clock in will disappear.

A screenshot of the 'Clock in' interface. It features a light green square on the left, a large white rectangular area in the center, and a blue 'Submit' button at the bottom.

Clock out

The same happens on clock in will also be done on clock out like taking an exact location and submitting after the shift has ended.

A screenshot of the 'Clock out' interface. It features a light green square on the left, a large white rectangular area in the center, and a blue 'Submit' button at the bottom.
